Regarding Case Number: 2016067602

To the members of Sigma Nu Fraternity,

Based on the information presented and discussed, the Phi chapter of Sigma Nu Fraternity accepts Responsibility for their actions, which constituted a violation of LSU's Code of Student Conduct, specifically hazing activity and alcohol as it relates to tailgating in fall 2016; additionally violating the Interim Suspension of Activities in Fall 2016. As a result, your chapter has submitted the Chapter Enhancement Plan, to meet the requirements of the partnership process with Greek Life and Student Advocacy & Accountability:

University Probation - EFFECTIVE through May 31, 2018

As a result the following items will be completed by the deadline indicated and with verification of each item's completion submitted to Student Advocacy & Accountability using the online [reporting form](#).

Please note that your organization may return to normal operations (as outlined in the Phi Plan of Action) at this time, as the Interim Suspension of Activities has been lifted.

1. The Phi Chapter of Sigma Nu fraternity will comply with the February 3, 2017 letter titled "Phi Plan of Action" from the General Fraternity. 2. In addition to those updates, a copy of the candidate education plan needs to be submitted to Student Advocacy & Accountability no later than **June 1, 2017.**
3. The Chapter must meet a minimum level score (70) on the Greek Assessment process through December 31, 2018; if there is need for immediate change required (based on minimum score) the Chapter will address the issue within 3 weeks of the score.
4. The chapter must attend all Greek Life sponsored educational programs with minimum required attendance for each through **May 31, 2018.**
5. The chapter will host a brotherhood retreat weekend at SN Headquarters in the fall for actives and candidates in Lexington, VA. At least 90% of the members shall attend. Documentation will be provided to Student Advocacy & Accountability no later than **October 1, 2017.**
6. Should future events occur the chapter will rely on it's candidate group text to communicate all information in a timely manner to ensure all policies are followed.

Please reply to this letter or email [REDACTED] to schedule a day and time to review and sign the Enhancement Plan no later than Monday, April 3, 2017. Once signed by all parties, the Enhancement Plan and Accountability Outcome will be kept on file in Student Advocacy & Accountability within the Office of the Dean of Students.
